EMPLOYEE INFORMATION

EFFECTIVE 1 JULY 2010

Best of breed super for rural and regional Australia

The industry super fund for rural and regional Australia

When it comes to superannuation, AustSafe Super is more than super, we're best of breed and we're true blue locals. Established by people in the country especially for the country, AustSafe Super has been standing by workers for more than 20 years. We have a commitment to providing our members with financial security for life through superannuation and related products. And, as an industry super fund, we operate to benefit members which means we offer members low fees[^], strong performance and we do not pay commissions to advisors.*

Why we're top dog in the country for super

Bred to perform

AustSafe Super has a history of strong performance* with the Balanced investment option returning an average of 4.45% p.a.¹ for the last 5 years and 9.28% p.a.¹ since the fund began 21 years ago.

Lying low

AustSafe Super charges a low[^] administration fee of \$1.50 per week, which is among the lowest fees of all superannuation funds. Keeping our fees low means you have more super savings in your account to grow for retirement.

Fetching flexibility

Members of AustSafe Super have the flexibility to choose from 9 member investment choice options which means you can tailor your superannuation investment to meet your personal financial goals and objectives. For details about making or changing your investment choice, refer to the AustSafe Super Industry Member Guide (Product Disclosure Statement (PDS)).

Man's best friend

Your super is fully portable, which means you can take your super with you when you change jobs. This ensures your super is with you for life.

Teaching old dogs new tricks

At AustSafe Super we value education and as one of our core goals are committed to providing members with the information you need to make informed decisions about your super. We host member and employer seminars in a variety of regions throughout Queensland and Northern New South Wales teaching you the tricks to make the most of your super. We also have a comprehensive website (www.austsafe.com.au) which you can access at any time and a customer service centre (1300 131 293) which you can call between 8.00am and 8.00pm (EST), Monday to Friday.

Throwing more than one bone

While AustSafe Super's core business is superannuation, we offer more than just super. Members can purchase Death only, Death and Total and Permanent Disablement and Income Protection insurance to suit your personal needs over and above the default cover. Plus, you have access to financial advice services including financial planning, web-based tutorials and updates about industry changes. Members can also access loans and banking products.

True blue locals

At AustSafe Super, we also have a team of experienced Regional Managers servicing our members throughout Queensland and Northern New South Wales. Just like our fund, our managers are true blue locals. They understand the issues faced by our members and are on hand to visit you at work or at home to discuss your superannuation needs.

Simon Fielder, Northern Queensland 0408 706 064

Stacey Watson, Central Queensland 0437 490 445

Paul Meredith, Southern Queensland 0419 601 908

Wayne Hulin, National Business Development Manager 0407 749 470

Becoming a member

You only become a member of AustSafe Super once your employer makes a contribution on your behalf. Once you become a member you will receive a letter outlining your current benefits in the Fund and a PDS explaining the key features of AustSafe Super.

You will be provided the default insurance cover and default investment option unless you complete an Insurance Variation form and Member Investment Choice form and send to AustSafe Super. Forms can be downloaded at www.austsafe.com.au.

* Past performance is not an indicator of future performance.

¹ As at 30 June 2009.

[^] Based on independent research by SuperRatings Pty Ltd. Fees may vary in the future.
